About GIPS

Established in 2007, GIPS Hospital is the only private psychiatric clinic in Ahmedabad dedicated to providing high-quality mental health care for all age groups children, adolescents, adults, and the elderly. We follow a holistic approach that goes beyond medication, addressing emotional, behavioral, educational, and developmental needs to support overall well-being.

Our Services

We offer in-patient care at Healthy Mind Hospital, equipped with advanced treatments such as ECT and TMS, along with multiple outpatient clinics across Ahmedabad for easy access. Our team of experienced psychiatrists and psychologists provides integrated assessment, psychiatric consultation, and psychotherapy for a wide range of mental health concerns under one roof.
