Sub:- feedback Report on internship in GIPS hospital

Respected doctors,

My self Seema Parmar, student of clinical Psychology, I am doing diploma in community & clinical Psychology at KANORIA hospital. Since last 3 months I have been doing internship at GIPS hospital.

I have learnt many things from this hospital placement likes psychological testing, counseling, Psychotherapy & history taking, we have done tests, counseling on patients here with Mr. Dheeraj Kumar (Psychologist). He taught us about clinical Psychology. All Psychiatrist have taken lectures, we attended that & learn from it & also learnt from Ms. Rutuja. My study and learning aims have been fulfilled.

Thanking you

Yours faithfully

Seema D. Parmar
